SMOKE DETECTOR CERTIFICATION

State law requires approved smoke detectors installed according to manufacturer's instructions on each story of all residential occupancies. In dwellings constructed prior to July 1, 1991, these detectors may be battery operated. Dwellings upon which construction begins after July 1, 1991 must have detectors powered by the building electrical wiring system with a battery back-up after May 1, 1993.

_____ I certify the property for which I am applying for credit meets the regulations outlined above.

_____ The property does not meet smoke detector requirements. However, I certify that corrections will be made so that regulations outlined above are met within 30 days from the date of this application.

OATH: I the undersigned, upon oath, hereby apply for my Homestead Tax Credit and/or Military Tax Exemption for the tax year indicated above, and on the property indicated in the above Property Information section. I declare residency in Iowa for purposes of income taxation and that no other application for homestead credit has been filed on other property. I swear that all statements contained in this affidavit are true and correct as of the application date shown below.
