The Department of Alcoholic Beverages requires that you file your new and renewal applications for beer permits, liquor license and payment on-line. The Marion County Board of Supervisors meets on second and fourth Monday of each month. In order for the application to be on the agenda for approval, please have your application filed on-line no later than fifteen days prior to the desired effective date or renewal.

Log onto the Iowa Alcoholic Beverage Division's Website, [www.IowaABD.com](http://www.IowaABD.com), click on E licensing and complete the online application. If you have questions or difficulties, you can contact the ABD at 515-281-7400 (option 1).

Payments will be handled through the Alcoholic Beverage Division's electronic funds transfer (EFT) system. The payment for the total cost of the license will be deducted after the application has been approved by the local authority (Marion County) and processed by the ABD.

The license will be sent to your mailing address following approval.

If you have any local questions or problems please feel free to contact Lorri Jahner of the Marion County Auditor's office using any of the contact information listed above, or using her email link on the Auditor's web page.
