

Contact Registry Form

Snowmobile Owners in Marion County

In order to serve the residents of Marion County during severe winter weather, Marion County Emergency Management is asking for those residents of Marion County who own snowmobiles and would be willing to assist emergency responders by using those snowmobiles during severe winter weather when roads may be impassible, or when travel is hampered by snow cover or ice accumulations to complete this registration form. This resource registry will be used by the Marion County Sheriff's Office to coordinate an effective emergency response should conditions warrant. The contact information **will not** be released to other sources. We thank you in advance for your feedback and continued partnership.
