

Salvage Vehicle Theft Exams

There has been a change to the procedure for the Salvage Vehicle Theft Examinations performed by the Marion County Sheriff's Office. The Marion County Sheriff's Office will be doing these inspections electronically only, there will be no more inspections in the paper form. A link has been provided below for an instructional video on the process and also a link is provided to apply for an examination. You must fill out the online form completely and pay for the examination prior to scheduling the inspection. If you have any questions please feel free to contact Chief Deputy Fisher at 641-828-2220.
