

**For Immediate Release
January 2019**

Marion County Treasurer Announces Change in Pella Driver's License

Effective March 6th, 2019

Effective in March of 2019, the Marion County Driver's License station will change the dates in which we issue driver's licenses in Pella. We will change the date of the week from the first and third Friday's to the first and third Wednesday's. We anticipate this change to go smoothly and are in hopes that this will provide better service to Pella and surrounding residents as well as relieve staffing issues in our office. As in the past, when the Pella driver's license station is open, we are closed at the Knoxville location. At this time, the location of the Pella issuance station will not change and will continue to be located at 829 Broadway Street in the Memorial Building.

Our last Friday in Pella will Friday February 15th. Our first Wednesday in March at the Pella location will be Wednesday March 6th.

Thank you for your cooperation as we integrate this change. Please help us spread the word regarding this change in schedule.
